## LESSONS LEARNED

# WINS AND CHALLENGES

## WINS

- 90% success rate screening patients for SDOH in the first week.
- 100% success rate with appropriate provider referrals to CHW team.
- Continued conversations with GHN for Community Hub enrollment.
- Team buy-in.
- Organization – training - education

## CHALLENGES

- System (EMR) failure
- Lack of referral “system” for community resources.
- Heavy pull for Population Health team.
- Insecure sustainability.
- The literature studies may be right?
  - Will we be the change?

# PROGRESS SINCE APRIL 10<sup>th</sup>, 2025

SERVICES	NUMBER
